Power Purchasing Agreement

1281. SHRI J. CHITHARANJAN:
SHRI NAGENDRA NATH OJHA:

Will the Minister of POWER be pleased to state:

(a) whether it is a fact that the Maharashtra State Electricity Board (MSEB) has defaulted in the payment of bills to Enron from October, 2000;

(b) if so, the amount due every month according to the Power Purchasing Agreement (PPA) and what is the unit price of power purchasing from Enron;

(c) whether Enron has approached Union Government for clearing the dues as per the counter-guarantee signed by Government; and

(d) if so, the details thereof and Government's decision thereon?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) and (b) The Maharashtra State Electricity Board (MSEB) have informed that they have defaulted in the payment to Dabhol Power Company (DPC) and the position of outstanding payment on due date is as below:—

	Payments Rs. in Crs.	Average Unit price	Energy Purchased MUs MUs
Bill of October 2000	184.51	6.90	267.26
Bill of November, 2000	148.04	8.00	184.95
Bill of December, 2000	152.86	8.54	179.02

Average unit price is based on actual energy purchased from DPC.

(c) and (d) DPC on 25.1.2001, invoked the Guarantee given by Government of Maharashtra (GOM) for recovery of an outstanding sum of around Rs. 89 crores towards the bill raised by DPC on MSEB pertaining to November, 2000. Due to failure by the Government of Maharashtra (OM), as the primary guarantor to make the said payments, DPC later on invoked the guarantee given by Government of India by placing a demand under the provisions of the GOI guarantee for recovery of the outstandings dues from MSEB pertaining to the bill for November, 2000. However, MSEB have since paid the entire outstanding dues to DPC towards the Bill for November, 2000 and, therefore, the need for making any payments to DPC under the GOI guarantee did not arise.
